LOOKING BACK

BRIDGEWATER-RAYNHAM

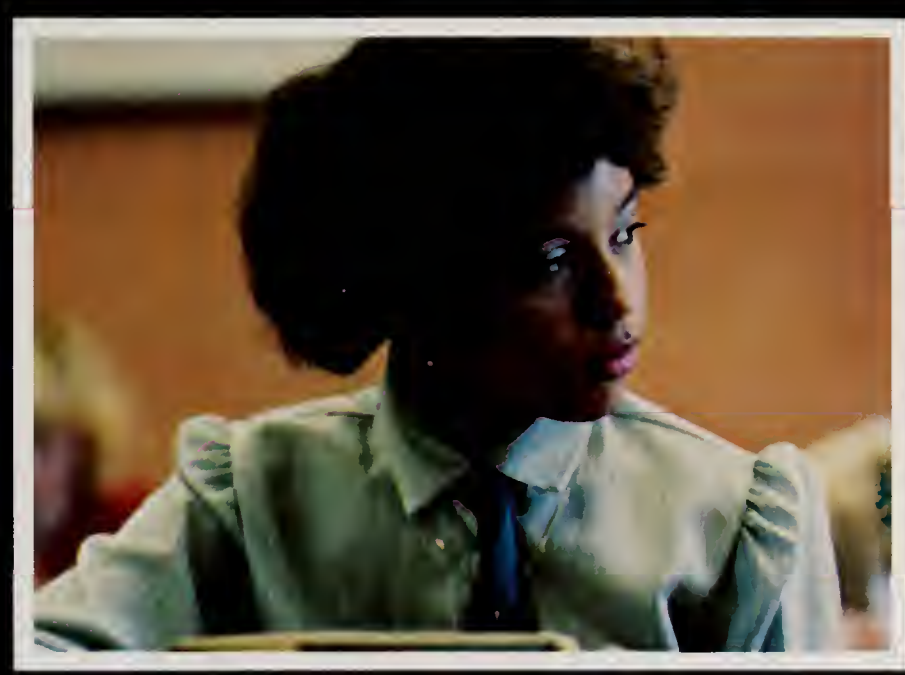
CLASS OF 1984

Looking Back . . .

Senior year is a time when everyone must look ahead. Our past four years at Bridgewater-Raynham have been geared towards preparing us for the future. The 1984 Unitas Staff would now like to take the opportunity to reflect back upon these years. During these times we have met new people and made new friends whom we will always remember. These people, along with our families and the faculty members, shared many special moments with us.

To preserve these memories, our yearbook contains flashbacks on all the activities and events which we participated in at B-R. We learned from these experiences and from one another, while growing closer at the same time.

As we, the class of 1984, look back upon "Younger Days", "School", "Sports", "Friends", "Special Memories", and "Four Years", we feel a sense of pride and accomplishment. Our achievements are not to be forgotten. Therefore, Unitas proudly presents "LOOKING BACK".



. . . *Younger Days*

Although it seems as if the past four years have flown by, we are able to remember days when we thought we would never come this far. Those were our younger days. Then, rather than concentrating on which college was best or which job would be the most satisfying, we thought of the best name for our teddy bears and wondered what kind of cookies our mothers baked for a snack. As we grew, our priorities began to change. And now, as we look forward to the future, we fondly remember the carefree days of our youth.

. . . *School Days*

For the past four years, our school has been like a second home for us. We have done everything here except sleep, and a few of us have done that. We arrived here at 7:30 AM each day, (an hour no human being should ever have had to see), and we left at various times in the afternoon. For the many of us who were involved in sports, our day didn't end until 5:00.

We have taken many different subjects here at BR, one of which was History. History was a very informative subject, especially for those of us who hadn't realized that history consists of a lot more than just "what happened last Friday night."

Another subject we will not easily forget is English. Over the years we have learned many different vocabulary words, like decadence, rudiment, and subsidiary. Sometimes vocabulary was difficult and time consuming for us but the time spent will be worthwhile when we impress our future bosses with our knowledge. It is too bad our bosses may not understand a word we are saying!

Another subject we took was Biology. We had to dissect frogs and pigs just to discover that animals have the same insides we have! It would have been a lot more interesting if we were allowed to dissect something indistinguishable, like the school lunches!

And how could we forget the ever-famous subject of math? One thing we may wonder in years to come is why we ever had to take math in the first place, when computers can do the math for us!

Our school has been a very special place for us. It has given us the knowledge we will need for adulthood, and has brought us together as a class. Hopefully the past four years have been equally wonderful for all of us, and in years to come we all will look back on our high school years with a smile.

. . . At Sports

During the past four years, the B-R athletic teams have brought home numerous honors. In 1981, our football team, with a 10-0 record, were OCL champions. However, Bridgewater-Raynham was not allowed to participate in the Superbowl.

For the first time in this school's history, the girls' basketball team achieved a record of 14-5, securing a spot in the Division I tournament. They finally finished as semi-finalists, losing a close game to Norwood.

Bridgewater-Raynham's other teams have contributed significantly toward placing the school in a competitive position in the Old Colony League. Our teams are viewed as tough, aggressive competitors with a deep desire to win.

Friendship

Going out and having fun,
Joking and laughing with everyone,
Feeling proud to be a part,
With each friend close to your heart.
Sharing, loving, and laughing together,
Wishing each moment would last forever.
In times of need they're always there.
They help you out and show they care.
Getting older, we shed many tears.
They grow up with you throughout the years.
All of these things we can't do without,
That is what friendship is all about.

by Angela Lomp

. . . *Special Times*

As we look back on the special times of our high school years, we remember the proms, the dances, the rallies, the games . . . all the events that have brought us closer as a class. When we remember these special events, we think of the people with whom we have shared fond memories. Although we will attend many more special affairs in our futures, we will always have room for these irreplacable memories of high school.

. . . At The Past Four Years

As we look back on these four years we notice that at times our lives appeared to slowly trudge and at others darted so fast that memory became our only retaliation. Seemingly everlasting moments often became a blur in the mind. But nonetheless this period was indeed without tranquility and therefore all the more noteworthy.

The past is probably our only defense against the future. Reminiscence guides the lives of all and ultimately preserves our sanity. Recollection, in reality, keeps our perspective on life. The answer to one's quest probably lies in the looking into the horizon of our past.

LOOKING AT MR. MUNSON

YEARBOOK DEDICATION

CLASS OF 1984

We, the class of 1984, would like to dedicate this year's issue of Unitas to Mr. Gene Munson.

Mr. Munson has been teaching for 14 years, his last 13 being here at B-R. Prior to his teaching career and before landing his current role as a physics teacher, Mr. Munson led quite a life.

A native of Washington State, Mr. Munson attended the University of California at Berkeley and graduated from the University of Wyoming with a Masters Degree in Mechanical Engineering. His first career was in the Air Force doing two main things; one being an aeronautical engineer and serving as a pilot, which included flying B-17 Bombers in World War II. After his Air Force life and before coming here to B-R, he worked for 3 years as an engineer in the industry department of General Electric.

Mr. Munson now lives in Falmouth with his wife Clare and has one daughter, Kristin, of whom he is very proud. He enjoys playing golf, bridge, horseshoes, and enjoys watching all sports.

Mr. Munson says that teaching is a second career for him but says that it's "one of the best things in life he's ever done." It is a privilege to have Mr. Munson as a teacher here. He is a good teacher and a good friend, one whom we will all remember long after leaving Bridgewater-Raynham Regional High School.

Ski Club

Bridgewater-Raynham Ski Club is the largest club at B-R with 137 members. The organization is run by Mr. Stephen Heaslip and Mr. Paul Moscardelli also our club officers John McCormick, Eric Olson, Clellia Smalley, Clarisse Fairbanks, Paul Brennan.

We had a total of 10 day trips to different mountains throughout New England and these were all a great success.

Our overnight trip to Sugarloaf/USA in Maine was our biggest and best trip ever. January 13, 14, 15, 16 we skied all day and night and returned to the Sugarloafers ski dorm. We had good times, good parties, good jokes, and bad food to all make a good trip.

Another program we offered was the mid-week ski program at Blue Hills. This allowed any level skier to take part in group lessons. From novice to expert we all had fun.

'Twas the day before Christmas, 1983
'Twas the day before Christmas when all through the mall,
Ma and I were shopping for family and all.
The children were playing outside in the snow,
with hopes that the night wouldn's pass very slow.
For the next day, they thought, would be filled with such joys.
As records and robots and electronic toys.
With Ma in her furcoat and hat with a flower,
the sitter was earning three dollars an hour.
When the day was all done, and our shopping complete, we wanted to leave and rest our feet.
With our arms full of presents for Suzy and Sam,
together we walked to our new black Trans Am.
When out on the lot there arose such a spurt,
We sprang in our car so as not to get hurt.
For a man was arrested, his plot full of flaws,
'cause he failed in his plan to mug Santa Claus.
Away to our house we flew like a flash,
but carefully, though, so we would not crash.
When we arrived at our home, it was ten at night,
and the sitter greeted us with less than delight.
When what to our wondering eyes did appear,
but both of our children all filled up with fear.
"What's this?" did I ask, "It's quite late for each tot,"
"and here you all are watching Salem's Lot.
"I'm quite sorry," she said, "the kids couldn't sleep."
"In my day," I said, "we had no TV.
"and Santa was only a fantasy.
"On Christmas we got, not a toy, but a coat,
"and if we were good, a tiny sailboat.
"But now all the kids want electronic toys,
"that whistle, and talk, and make all kinds of noise.
"What is this world coming to?" I said aloud.
"Of these times and these people I am not proud.
"Even I have changed, and I like luxury,
"but a better and simpler life there must be!"
I drove home the sitter and turned around,
and back at home I heard not a sound.
While wrapping the presents I felt depressed,
over the changing of times and the need of rest.
I wished that the feeling would not long last,
and I hoped that the future would be more like the past.

CHEERING: HIGH SPIRITS

The 1983-84 cheerleaders coached by Barbara Murdoch and Debbie Robbins have shown both loyalty and enthusiasm throughout the football and basketball seasons. By practicing many hours for both games and competitions, this group of girls have grown closer.

Over the summer the girls attended U.S.C.A. camp at Bridgewater State College and received a fourth place trophy and four first place ribbons. Not only did the B-R Cheerleaders benefit from the learning experience but also made several new friends.

With Football captain Joan Querzoli and Basketball captain Lynn Hickey the Cheerleaders have shown their dedication by baking, decorating the players lawns, and providing entertainment at the Thanksgiving day rally.

Kneeling (L to R): P. Abney, P. Sylvia, C. Prohovich, K. Murray, L. Lombardi, L. Rose, L. Hickey. Standing: J. Querzoli, C. Smalley, J. Napolitano, S. Mastria, K. Gallagher, K. Reilly, P. Querzoli.

. . . *at the Rally*

Although it was held during school hours, the 1983 Thanksgiving game rally was a success. The student body was addressed by Dr. Capernaros and Mr. O'Donoghue, who also wished the players "good luck". Coaches Urban and Almeida boasted of B-R's winning sports teams. Captains Phil McGlaughlin and Bill Turner assured the school that they would win. Senior class president Cindy Gracia and Miss Regional queen Sandy White also addressed the crowd enthusiastically. This year, the team dedicated their victory to the memory of Jay Barter. Mark Henderson was introduced as next year's honorary captain.

The cheerleaders and pom squad performed routines pyramids, and cheers with the aid of the players. The senior class won the "decoration" and "rowdy" competitions. The parade was held later that evening.

FOOTBALL: BUILDING SEASON

Under senior captains, Bill Turner, Phil McLaughlein, and Adam Getchell, the 1984 Trojan football improved on last year's work and ended up .500 in the league play.

Quarterbacked by senior Paul Sweeney, the team fought hard in the very tough OCL. Other seniors standouts were: L. Howard, center; K. Ninesling and M. Dunn, guards; J. Perry and A. D'Emelia, tackles; and half-backs M. Lawson and R. Tate. Other seniors who worked hard were Dan Maltais and Mike McDonough, both ends.

Coach Almeida sees a great future for the 1985 Trojan team.

BOYS' SOCCER

This year the 1983 Boys' Soccer Team, led by head coach George Pacheco, captured its fifth Old Colony League championship title. However, the team had to share the co-championship with its rival Plymouth-Carver. The season got off to a slow start with a relatively young and inexperienced team. On the varying starting lineup there usually averaged three seniors, four juniors, two sophomores, and two freshmen. Under the leadership of captains Sean Carey, Eric Olson, Tim Chicoine, and Greg Perry, the team finished off the season strongly with a record of 11 wins, 0 losses, and 5 ties. The team was disappointed in the state championship tournament, being defeated by New Bedford 3-1. Overall, this season proved that Bridgewater-Raynham is still the most dominant force in the Old Colony League.

GIRLS' SOCCER — A STRONG SEASON

The 1983 girls' soccer team, under the guidance of head coach John Heslin, finished the season with a 10-2-2 record, ousted by just one point for the OCL title. Led by tri-captains Michelle Dolan, Susan Reed, and Sarah Peluso, the Lady Trojans obtained the sixth consecutive state tourney berth. Six members of the team were selected as Old Colony League All Stars. They include Seniors Sarah Peluso, Lisa Govoni, and Susan Reed, along with Junior Debbie Dorr, Sophomore Janine Zutaut, and Freshman Laura Manning. Sarah Peluso, Susan Reed, and Debbie Dorr were also chosen for the All-Scholastic team. Having received strong performances from many underclassmen, Coach Heslin looks to regain the OCL title next year.

FIELD HOCKEY: LOOKING FORWARD

Even though the 1983 field hockey team had a losing season this year with a record of 3-10-2, the girls did a terrific job. Having to adjust to a different style of coaching was difficult but the team looks forward to a better season next year. Thanks to the captain Mimi Larzelere, and the coaches Joan Casabian and Cheryl Farrington, the team had an enjoyable season. The team is anticipating a better season next year with the new captains elected; Melissa Kilbridge and Linda Perry.

BOYS' CROSS COUNTRY

Although the Boys' Cross Country team did not post a win this year they were well led by newcomer James Pimental, (Captain). Other team members included Captain Christopher Smalley, Shawn McMahon, Phil Lecuya, Eric Clory, and Brian Wynn. The team will miss departing senior James Pimental, but under the coaching of Mr. Tufts and the participation of the other team members next year's outlook is promising.

GIRLS' CROSS COUNTRY: ENTHUSIASTIC

Although this year's girls' x-country team had a disappointing season, coach Tufts did have an enthusiastic squad. Overall, the team's record was 2-9, 1-7 in the league. Led by senior captains Ellen Bent (honorable mention in OCL league meet) and Kristen Morwick and junior Betsy Littlefield, the team managed to inspire strong efforts from fellow teammates Dawn Shurtleff, Cara Verhorn, Kristin Dirks, and Diana O'Donahue. Hopefully, the younger members will provide coach Tufts with a more successful season in the 1984-85 season.

GOLF: NEW COACH, NEW IDEAS

Under the leadership of first year coach George Pimental and seniors Bill Deasy, Jeff Burke, Bill Skiendel, and Paul Brennan, the 1983 Golf team displayed a fine effort. The team played tough against the league's best teams and also against arch rivals Plymouth-Carver. The team hopes to improve their skills for a more successful season next year.

The B-R gymnasts put forth a great effort this season, hitting a record-breaking 110 points in only the third meet. Despite injuries that prevented the team from qualifying for the State Championships, outstanding performances were made by all, particularily by all-arounds and Captains Ellen Bent and Laura Sherry. Freshman Kelly Turner contributed greatly to the teams initial success, but a broken wrist put her on the sidelines for the remainder of the year. Sophomores Tara McArther, Darlene Carson and junior Pam Phillipe racked up points on three events, while freshmen Joanne Bonanno and Adele Cain specialized on beam and bars, respectively. Jennifer Booth also contributed on the unevens. For the remainder of the season, the team looks forward to bringing home some individual League Championship medals and individual State qualifications.

WRESTLING: STRONG TEAM

The B-R wrestling team under the leadership of tri-captains Paul Sweeny, Tim Chicoine, and Adam Getchell; is well on its way to its 6th consecutive Old Colony League title. All the team must do is beat Randolph and tie Marshfield and it will have possession of the crown. Late in the season the team suffered a heartbreaking loss by the score of 29-28 to South Sectional rival Duxbury. Because of this the team probably will not win the division II South Sectional crown; a prize the team has worked hard for.

The team is comprised of some 50 varsity and junior varsity members. With seven returning lettermen the team should do well next year and will be looking for number 7.

CHAMPIONSHIP SEASON

The 1983-1984 edition of the B-R Trojan Boy's Basketball team exceeded all expectations by winning not only the co-championship of the O.C.L. but also emerging victorious from the 1983-1984 Shoveltown tournament held at Oliver Ames High School. The team defeated Taunton in overtime and host Oliver Ames in a closely contested final. Senior Sean Carey was selected M.V.P. and, along with senior Richard Smudin, was selected to the tournament All Star Team. After early season play, the team put together a 7 game winning streak that saw them win the O.C.L. co-championship and proceed into the Division II South Sectional State Championship tournament. Here, they defeated Walpole, and then lost to Norwood in a close quarter-final match, 59-60.

Members of the team were: (seniors) Sean Carey, Paul Donahue, Tim Keogh, Peter Kubiak, Dan Maltais, Paul Morin, and Richard Smudin.

GIRLS' BASKETBALL: DETERMINED

Despite a slow start, the girls varsity basketball team now remains virtually even with a record of 6-7. Although the squad lacks in experience, it still has hope for a possible shot at the tournament. Led by captains Sara Pelouso, Kristen Morwick, and Lynne Meahey as well as senior Jackie Parker; coach Cunniff's lady Trojans make up for their lack of experience in their determination and hustle. Underclassmen Marlisa Mangleson, Bridget Flynn, and Melissa Kilbridge not only hope to contribute to this year's success, but intend on leading next year's squad to a more victorious season. With their talent, leadership, and drive, these young ladies should be on top of the OCL next year!

HOCKEY: GAINING EXPERIENCE

1984 was a rebuilding season. Next year's team will have many experienced players. Highlights of this year were the great goaltending of Larry Howard, the excitement of forward Terry Chipman, and the hard work of John Bowman, Rusty Aruda, and Rich Mammone, all seniors.

Senior T. Chipman went into the 1984 season already in possession of the school career scoring record of 138 points and added to that during the season.

The team played a tough schedule in the very tough OCL league. There were many close games and lots of excitement during the whole season.

Boys' Baseball Team

The B-R Trojan Baseball Team, 1983 OCL Co-champs and State Championship Semifinalists, were led by Captain George Bent whose .422 batting average was one of the best in the league. John Grigas supplied excellent pitching and hitting.

The 1984 team should be a force to contend with, with returning players Peter Kubiak, Mike McDonough, Mickey Pina, Mike Lawson, and an excellent pitching staff led by All-Star Paul Donahue. Other players returning will be Derek McGovern, Paul Morin, Larry Howard, Dave Donahue, and hopefuls Brian Warren, Jeff Marquis and Tom Denton.

Girls' Softball—A Re-Building Season

The 1983 Girls' Softball Team, led by captains JoAnn Rigo, Mary Rodrigues, and Alicia O'Connor, had an upsetting season with only 3 wins and 11 losses. Under the coaching of John Dillon, the team is hoping for a more successful season in 1984. This year's returning seniors are Sandy White, Lisa Govoni, Lynne Meaney, Nancy Thrasher, Lisa Meehan, Joan Flaherty, and Gia Cappiello; and Junior Margie Gracia.

Boys' Track

Although the 1983 track team did not have a winning season, Coach Pacheco made the season interesting. With a variety of track and field events, the team had many outstanding performers. Captain Larry Bresciani excelled in the shotput; he took first place in many meets. In the discus throw, Tom Schlatz, Rich Tate, and Larry Bresciani were the top contenders. With returning members Eric Olson, Paul Foley, Rich Tate, Rich Smudin, Darrin Harris, Tom Schlatz, and Peter Flynn, the 1984 team should fare well.

Girls' Track and Field

Despite a record of 2-8, the 1983 girls' track team had some strong performances, led by captains Allison Morwick, Kim Urban, and Jennifer Worcester. While Allison was strong in the sprints and long jump (setting a new school record), Jen Worcester dominated in the middle distances. Kim Urban excelled in the long and high jump, whereas her younger sister, Missy, a sophomore, set record after record in the javalin and finally finished second in the OCL. Allison Morwick's sister, Kristen, a junior, also managed to break her own 100m hurdles record, while proving to be strong in the 440 yard dash as well. She was also the team's first participant in the Women's Pentathalon, in which she placed sixth in Massachusetts.

Other fine performances came from seniors Mary Cooke in the relays and Lynn Littlefield in the mile and two mile.

Boys' Tennis

Under coach Larry Fisher, the boys' tennis team completed the season with a record of 5 wins and 7 losses. Bill Skinbiel and Scott Boutilier were outstanding players throughout the season. Mike Dolan, John McCormack, Ted Viles and Andy Hamilton also played successfully. Coach Fisher is looking for a victorious 1984 season.

Girls' Tennis

The girls' varsity tennis team, under the direction of Coach Nawlicki and Captain Beth Flynn, finished the 1983 season with a 2-11 league record. Although the team did not capture very many wins, there were a number of fine individual performances by senior Beth Flynn and returning juniors Melissa Constable, Kate Peterson, Alyce Kleinman, Rene Grivios, and Michelle Heger. Underclassmen Jasmin DeSouza, Heather Francis, Betsy DeAndrea, and Merritt Mahoney also played exceptionally well.

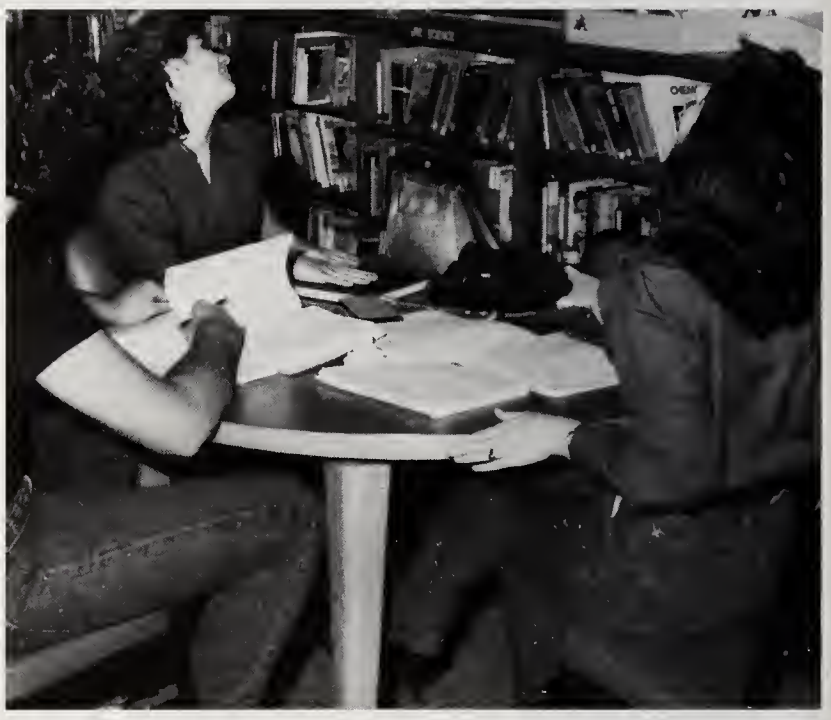
BE EASY



. . . *Junior Prom*

Last year, the class of 1984 held their prom at the Blue Hills Country Club. With music provided by the band Destiny, the night was a success. Following tradition, the prom queen was chosen from among all the girls present. Beth Hanley was granted the title that evening. Between the dancing, the food, and the comaraderie among our classmates, the prom should remain one of the best memories of our high school years.

Christmas Party

The long awaited Senior Christmas Party, held on Dec. 9, 1983, was a festive occasion for all who attended. Everyone — from Ronald Reagan to the Hulk to Santa Claus — danced to the music of the Fans. Prizes were awarded for the best costumes; awards went to Adam Getchell (Hulk), Keith Ninesling (Bag), Valerie Zonfrelli (jack-in-the-box), and Kevin Gingras (wizard). The annual event, which is presented to bring the senior members of the class closer together, was a success. It was enjoyed by all the students and by the faculty chaperones. The memory of the party will remain forever etched in our minds as one of the fun moments of high school.

Miss Regional Dance

Unfortunately, the 1984 Miss Regional Dance suffered from the same lack of attendance that has plagued the event for the past few years. Those students who did attend, however, were well entertained by music provided by the band DLW. The evening's highlight, of course, was the crowning of Miss Regional and her court. From left to right, the court members were: Debbie Jones, Jodi Steek, Cindy Gracia, Janine Sale, and Carolyn Prohovich. In the middle of this smiling group sat the very happy Miss Regional for 1984, Sandy White. For these girls especially, and for everyone present, the evening will always be a special memory.

. . . at Capeway Junior Miss

In this year's Capeway Junior Miss pageant, Bridgewater-Raynham was represented by Laura Sherry, Shelly Lindberg, Belinda Avila, Michelle Lacerda, Beth Hanely, Carolyn Prohovich, Kristen Morwick, Carol Horan, Debbie Jones, Kim Powers, Lynn Hickey, Francis Bassett. Among these talented girls from B-R, three placed in the top five. The second runner-up was Carolyn Prohovich, who also won the poise and appearance as well as the Youth Fitness portion of the program. The first runner-up was Laura Sherry, while Kristen Morwick finished as 1984's Capeway Junior Miss.

IN MEMORIAM

John Willette Jr.

When you remember me,
If you remember me,
And when you think of me,
As I know you will,
Think of me — upon reading-
These words . . .

Remember when we spoke in rhyme,
The funny songs we created with time.
The countless laughs and endless jokes,
The dreams of a fantastic, practiced hoax.

Remember the days of sunshine and rain,
Still yet without any fear or pain.
Oh, and the days we dreamed of it all,
Without a trip, strumble, or clumsy fall.

Remember the times we dared to try
To reach those eternal stars too high.
And though we didn't reach them then,
What couldn't be done could never have been.

Remember, as you're still thinking of me,
The continuous times we yearned to be free.

And all the times we lowered outselves,
To put our wants back on those crowded shelves.

Still remember the few days of childish pain,
That really weren't so bad with the rain.
Rain that acted as our frightened tears,
And washed away sorrow of all past years.

Still there were the dreaded days of bad,
Remember them though they may make you sad.
The good times overwhelmed them all,
In the winter, spring, summer, and fall.

Remember always you were my friend,
A buddy and a pal to the very end.
Days with you were worth them all,
You seemed to be there at every call.

Always remember yesterday when I was there,
As a friend who would always really care.
But please forget though you may grieve,
This inevitable day I had to leave.

For Teachers Only

Throughout the past four years, I've realized how lucky we, the class of 1984, really are to have such caring and dedicated teachers. You all know who you are, so I'll leave names unmentioned.

You were always there when I was the last person in the class to finish a test, and you gave up your free period to stay with me until I finished.

You were always the one who said for me to be myself, an individual, when I was trying so hard to be like everyone else.

You were always the one who gave me two extra points on my final grade — although undeserving of that grade I was, but you wanted to see me make that honor roll just once.

You were always the one who made me think about what was important. You pointed me in the right direction.

You were always the one who gave me that extra "push" when what I really should've gotten was a shove!

You were always there for my bad moods, even when we both knew you had better things to do.

You were always the one who said, "come in, my door is always open." Little did you know your house would soon turn into Grand Central Station!

You were always the one who said that extra prayer at night just because you wanted everything to turn out right for me.

You were always the one who told me to stop feeling sorry for myself because it wasn't helping me any. So true!

You were always the one who took the place of my parents when I needed a helping hand and they weren't around.

You were the one who taught me how to love others, and not just myself.

You were always the one who said, "I love you", and really meant it because you knew I needed to hear it.

You were always the one who tried to give answers to my most difficult questions . . . and succeeded!

Throughout all my ups and downs, my tears of laughter and sadness, you were always there for me. If that's not caring, what is?

I'm speaking on behalf of the graduating class of 1984. We all had our favorites, I just couldn't walk away without letting you all know. Thank you!
